## Street Cosy Break

**Day 1:** A leisurely journey to Somerset visiting **Bristol** en route to allow us to have some free time before arriving at The Wessex Hotel.

**Day 2:** After breakfast, we travel to **Glastonbury** for a morning visit, it is known for its ancient and medieval sites, many rich in myth. Visit the Glastonbury Abbey or take a stroll through the High Street which is lined with shops and cafes. We will return to Street for a free afternoon to explore the town. Why not visit the Clarks Village where you will find traditional paved walkways, beautiful landscaped gardens, a stylish restaurant terrace with indoor and outdoor dining, and

a choice of coffee shops and of course an unrivalled selection of discount designer and high street stores.

**Day 3:** A day excursion exploring the beautiful city of **Bath**. You won't have to look far to find things to do in Bath as the city is famously full of attractions and activities.

**Day 4:** Today we travel to **Cheddar Gorge** for some free time. At almost 400 feet deep and three miles long, this is England's largest gorge and, with its weathered crags and pinnacles, one of our most spectacular natural sights. We visit Wells in the afternoon for some free time before heading back to the hotel for our evening meal.

**Day 5:** Sadly it is time to head back to West Wales, visiting **Cardiff** on our route home for some free time, returning home early evening.
